Illustrative serving; follow ingredients and serving-texture guidance.

PREPARATION

Remove coarse spinach stems, finely chop and wilt, then drain. Scramble eggs and milk in oil until fully set. Stir through spinach. Warm wraps gently so they stay soft and spread filling thinly. Roll loosely, halve and cut into manageable pieces for service.

ALLERGEN CHECK

Egg, milk, wheat (gluten)

Verify product labels and serving texture before service. See page 2 for review and kitchen checks.

MENU DESIGN

The 20-day rotation changes the main dish and uses different methods across the month. The ten additional recipes offer replacements for equipment, supply or service constraints. Seasonal produce substitutions are treated as changes to the same recipe.

SERVING FOR TAMARIKI

Provide drinking water. Use starter portions and adjust for the child. Serve food seated and supervised, with age-appropriate textures and sizes. Keep bread tender and fillings moist. Review each individual feeding or allergy plan before service.
