Ham cheese and tomato sandwich

NZBK-087 · Sandwiches And Filled Rolls · 12 sandwiches

INGREDIENTS

24 slices white sandwich bread

420 g chilled cooked ham

240 g tasty cheese

300 g sliced tomato

90 g butter

Illustrative serving; not a photographed kitchen test.

PREPARATION

1. Butter the bread.

2. Drain sliced tomato briefly on a clean rack and layer with ham and cheese.

3. Close, cut and refrigerate promptly.

ALLERGEN CHECK

Wheat, milk. Check ham and bread.

PRODUCTION NOTES

Quantities are metric; yields are provisional test batches. Temperatures refer to a preheated conventional oven. Confirm fan settings using your oven.

Record usable yield, actual bake time, portion weights, ingredient suppliers and wastage during test batches.

Follow the bakery’s food control plan for cooked fillings, cooling, hot holding, chilled products, shelf-life and display decisions. Use chilled ready-to-eat sandwich fillings; assemble in small lots and record holding times.

Check each ingredient label, substitutions and cross-contact controls before selling or supplying products. Allergen notes are starting points.

Tally ingredient, packaging and labour costs per batch. Divide by saleable yield and apply the business’s overhead and margin assumptions.
